Exciting 'Show and Tell' Event with a Special Planetarium Experience! – 4th January, 2025

The 'Show and Tell' event, scheduled from 8:30 a.m. on Saturday, 4th January 2025, was organized to encourage our young learners to showcase their creativity, boost their confidence, and share their knowledge with their peers and parents.

Adding to the excitement, we had introduced an extraordinary Planetarium Experience for the students as well as their parents, free of cost! The distinctive adventure of stepping into an 8-meter-diameter dome and embarking on a fascinating journey through space, exploring the wonders of the solar system, delving into the history of astronomy, and much more, were all brought to life with:

- *HD video projections
- *3D effects
- *HD surround sound system

This unique experience captivated the minds of the inquisitive learners and fueled their imaginations as they embarked on a thrilling Solar Quest!

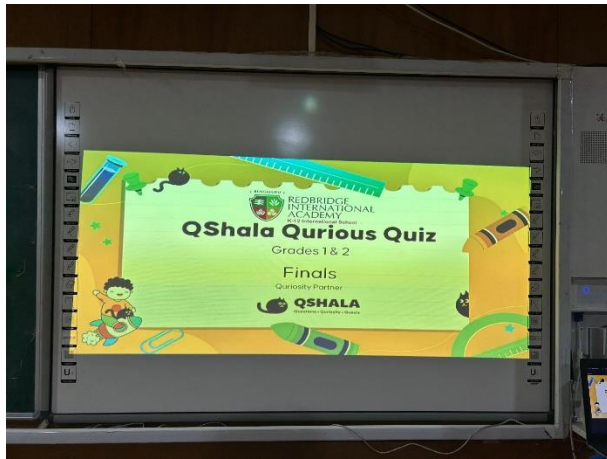

Qurious Quiz for Grades 1 and 2 by QShala – 7th January,2025

QShala conducted the engaging 'Qurious Quiz' for the enthusiastic first and second graders to reinforce and celebrate their term's lessons. The event kicked off with a written round for all the students and was wrapped up with a thrilling buzzer round for the finalists, keeping the excitement alive throughout. The Quiz drew to a close with the announcement of the winners and the distribution of the certificates to applaud their achievements.

Celebrating Makar Sankranti: Highlights from Today's Assembly – 15th January,2025

Today, our students enthusiastically engaged in a vibrant and colourful assembly celebrating Makar Sankranti. The event showcased exciting performances, traditional customs and the festive spirit of the joyous occasion.

Prize winners of the Qshala quiz – 21st January,2025
