

NEWSLETTER (OCTOBER 2024)

1. World Teacher's Day Celebrations (5th October, 2024)

Teachers' love, a guiding light, shaping young minds, shining bright.

To honour the invaluable contributions of our dedicated teachers, Redbridge International Academy celebrated World Teacher's Day on October 5th. The day was filled with heartfelt appreciation, a special assembly, and token gifts. By acknowledging the hard work and passion of our teachers, we aim to inspire future generations of educators.

2. Safety Week @ Redbridge (21st October – 25th October 2024)

Safety first, a golden rule, protecting our future, wise and cool.

Redbridge International Academy prioritized safety by organizing a comprehensive Safety Week from October 21st to 25th.

- **First Aid Talk:** Dr. Ranjitha from Address Health conducted a valuable session on first aid, equipping students and staff with essential life-saving skills. By learning basic first-aid techniques, our community is better prepared to respond to emergencies.
- **Safety Stories:** Engaging safety stories performed with the use of puppets were shared with students in Grades 1-5 and 6-8, focusing on general safety and cyber safety respectively. These stories instilled important safety habits and helped students understand the potential dangers in the digital world.

3. Field Trip to Traffic Park (29th October, 2024)

Traffic rules, a lesson learned, safety awareness, deeply discerned.

Students from Pre-K to Grade 2 embarked on an exciting field trip to the Traffic Park on St. Marks Road, Bengaluru. The trip provided a hands-on learning experience about road safety rules and regulations. By observing real-life traffic scenarios and participating in interactive activities, students developed a strong sense of road safety awareness and learned the importance of following traffic rules.

4. Orange and Black Day Celebration (30th October, 2024)

Orange and black, a spooky sight, Halloween fun, a pure delight.

Our Pre-Primary students celebrated Orange and Black Day with enthusiasm. They dressed up in vibrant orange and black attire, participating in fun-filled activities like pumpkin painting, spooky storytelling, and trick-or-treating. Through these activities, they learned about the cultural significance of Halloween and developed their creativity and imagination.
