Community Service Activities for Grade 8 & 9 – 25th March, 2025

The students of grades VIII and IX (2023-24 batch) actively participated in community service activities. Some students, accompanied by our teachers, went to MFH Government School to beautify the walls with their creative paintings and assist in teaching the Primary School students. Touched by our students' enthusiastic initiative, the local residents provided them with nutritious, hygienic lunch.. This project was in partnership with the Rotary Club.

Those students who did not visit the government school, contributed by making recyclable, eco-friendly trash cans to be used in our classrooms.
