SEPTEMBER EDITION | 2026

KRISHNA'S FLUTE, FESTIVE REPUTE

Janmashtami Celebrations 3rd September

Our young learners from Grades 1 and 2 brought the spirit of Janmashtami to life through prayer, dance and delightful portrayals of Radha and Krishna. Inspired by the tales of the Bhagavata, traditional butter matkas added a charming touch to the festivities, making the celebration a joyful tribute to the beloved deities.

FOR TEACHERS WHO CARE, LOVE AND LAUGHTER WE SHARE

Teachers' Day Celebration

5th September

The spirit of gratitude and appreciation filled the campus as students celebrated their teachers with enthusiasm and affection. From lively performances and friendly matches between students and teachers to fun-filled games and healthy competitions, the day was a memorable tribute to the mentors who inspire, guide and nurture young minds.

PRAYERS THAT RING, JOY THAT WE BRING

Ganesh Chaturthi Celebrations

16th September

The RBIA community came together in a spirit of devotion and joy to celebrate Ganesh Chaturthi. Students and staff joined in the festivities, embracing the occasion as a meaningful celebration of faith, togetherness and the blessings of Lord Ganesha.

U-14 Tackle Interschool Football

Tournament

19th September

Our young footballers made Redbridge proud by securing the Runners-Up position at the U-14 Tackle Interschool Football Tournament! Their spirited performance, dedication and determination reflected the strength of teamwork and the value of perseverance. Congratulations to our budding athletes on this wonderful achievement!

SMALL THINGS DONE RIGHT, MAKE THE FUTURE BRIGHT

Value-Ed Assembly – “Discipline Within Me”

22nd September

Discipline begins with the little things we do every day. Through engaging stories, relatable characters and examples of successful personalities, students of Grade 6 explored how keeping promises, completing tasks and taking responsibility help build self-discipline. The assembly reminded everyone that lasting success begins with consistency, commitment and the choices we make each day.

TRY SOMETHING NEW, SEE WHAT YOU CAN DO

Professional Week

21st to 25th September

Learning went beyond the classroom as our students stepped into the shoes of the people who keep our school running smoothly.

During Professional Week, students enthusiastically volunteered in a variety of roles, from assisting the security team at the front gate and guiding Primary students during dispersal to supporting cafeteria operations, serving lunch and helping maintain cleanliness around the campus.

A special assembly added to the spirit of the occasion, while our younger learners delighted everyone by dressing up as professionals from different fields. Through these hands-on experiences, students discovered the importance of responsibility, teamwork, discipline and respect for every profession. The initiative offered a valuable reminder that every role matters in creating a safe, organised and welcoming school community.

WORKING AS ONE, GETTING IT DONE

Supporting Staff Training Programme

24th September

A positive school environment is built through the collective efforts of every member of the community. The support staff training programme at RBIA highlighted the importance of responsibility, teamwork, discipline, respect and strong moral values. The session reinforced the vital role our support staff play in creating a safe, organised and nurturing environment where every student can thrive.

PASS WITH FLAIR, GOALS TO SPARE

Parent-Teacher Meeting - 2

26th September

Strong partnerships between parents and teachers make a meaningful difference in a child's learning journey. The second Parent-Teacher Meeting provided an opportunity for parents to connect with teachers, discuss their child's progress and seek guidance. Parents also had the opportunity to meet the Principal during the designated time, strengthening the home-school partnership.

HEARTS THAT CONNECT, FUTURES TO PROTECT

Parenting Sessions

1st and 26th September

Strengthening the bond between home and school, RBIA and Val-Ed Initiatives brought parents valuable opportunities to explore the joys and challenges of raising connected, capable children. The sessions shared practical insights into child development, meaningful relationships and nurturing confident, independent learners. The online session on 26th September featured Ms. Trupti Anand Hattangady, an experienced educationist and facilitator specialising in child development and pedagogy, offering parents thoughtful perspectives to support their children's growth and well-being.

September at Redbridge

September was a month of celebration, gratitude, achievement and meaningful learning. From embracing cultural traditions and honouring our teachers to celebrating sporting success, strengthening family partnerships and experiencing the value of different professions, our students continued to grow through experiences both inside and outside the classroom. Each initiative reflected our commitment to nurturing responsible, compassionate, confident and capable learners.
