Annual Show and Tell at Redbridge

11th October 2025

The month of October began on an inspiring note with the much-awaited Annual Show and Tell presentation. The event provided students with an opportunity to showcase their interdisciplinary learning through an impressive display of projects, models, and creative presentations.

The Art Department added a special charm to the exhibition with three captivating displays titled “**Luminous Depths**”. Using fluorescent paints and UV lighting to create a stunning glow-in-the-dark effect, students transformed their work into an enchanting underwater seascape. The exhibit beautifully blended science and art, showcasing the students’ creative interpretation and deep understanding of bioluminescence—earning admiration from parents and visitors alike.

Empowering Young Minds: Awareness Sessions on Bullying and Menstrual Health

16th October 2025

As part of the school's initiative to promote emotional and physical well-being, two important awareness sessions were conducted on 16th October for students of Grades 3 to 6.

The first session focused on Bullying and its Impacts, aiming to help students understand the different forms of bullying, its consequences and the importance of empathy and responsible action. Through stories, discussions, and reflective activities, students learned to identify bullying and were encouraged to be *upstanders* rather than bystanders. The session concluded with students taking the "Bullying-Free School Oath," reaffirming their commitment to creating a safe and caring school environment.

The second session was a Workshop on the Menstrual Cycle, designed for students of Grades 4 to 6. The workshop was conducted in an open and supportive atmosphere, beginning with an encouraging address by the Principal, who emphasized that menstruation is a natural and healthy part of growing up.

A senior student's personal sharing helped foster comfort and openness among participants. The interactive presentation, enriched with colourful visuals, guided students through the basics of the female reproductive system, menstrual hygiene, emotional changes, and the role of nutrition. The workshop concluded with an engaging Q&A session, where students confidently voiced their thoughts and questions. The initiative was widely appreciated for being informative, empowering, and sensitively conducted, helping dismantle myths and promoting awareness about menstrual health.

Rocksport Field Trip – Grades 9 to 12

25th October 2025

Students of Grades 9 to 12 embarked on an exhilarating field trip to Rocksport, an adventure camp. The day was packed with adventure, teamwork, and experiential learning. From rock climbing and zip lining to fun group challenges, students enthusiastically participated in every activity.

The trip provided a perfect balance between fun and learning beyond the classroom, strengthening peer bonds and fostering resilience, leadership, and collaboration among senior students.

Junior Sports Day

25th October 2025

The spirit of sportsmanship was in full swing at the Junior Sports Day as the youngest members of the Redbridge family, from Pre-K to Grade 2, took to the field with infectious enthusiasm.

The event was marked by colourful displays, lively races, and cheerful cheers from parents and teachers. Each child participated with determination and joy, embodying the values of teamwork and perseverance. The day concluded with smiling faces and proud moments for all, making it a truly memorable celebration of youthful energy.

Rainbow and Fruit Salad Activity Day

30th October 2025

The pre-primary wing ended the month with a burst of colours and flavours on Rainbow Day and Fruit Salad Activity Day. The little ones immersed themselves in a series of fun-filled and educational activities that combined creativity, exploration, and sensory learning.

Children expressed their imagination through colourful paintings, participated in a fruit salad-making session, and learned about the importance of healthy eating. They also enjoyed fruit basket colouring and puzzle games, which encouraged teamwork and problem-solving. The day was filled with laughter, discovery, and vibrant energy, creating delightful memories for both students and teachers.

Students' Achievements at Srishti (DPS)

29th and 30th October 2025

The month concluded on a proud note as Redbridge students brought laurels to the school by participating in the Srishti Event held at Delhi Public School. Our talented participants competed across multiple categories and emerged winners in several events, showcasing their creativity, confidence, and excellence.

To honour their accomplishments, medals and certificates were presented during the school assembly on 30th October. The moment was filled with pride and applause as the school community celebrated the success and dedication of its young achievers.

October at Redbridge International Academy was a month filled with learning, creativity and celebration. From exhibitions and awareness workshops to adventures, sports and achievements, students experienced holistic growth—academically, physically and emotionally. The events of the month truly reflected the school's mission to empower young minds through knowledge, value and experience.
