Grandparents' Day Celebration
6th September 2025

Our young learners from Pre-K to Grade 2 celebrated *Grandparents' Day* with immense joy and enthusiasm on Saturday, 6th September. The event was a beautiful tribute to the love and wisdom that grandparents bring into our lives. The day was filled with laughter and excitement as grandparents joined their grandchildren in various fun-filled activities, including dance, songs, musical chairs and interactive games. It was truly heart-warming to witness the special bond between generations being celebrated in such a delightful manner.

Cooking Without Fire

24th September 2025

The *Cooking Without Fire* activity held on 24th September turned out to be a delightful culinary experience for our primary students. With creativity and teamwork at its best, the children prepared an array of delicious treats such as sandwiches, chaats, biscuit canapés, and decorative salads — all without using a flame! The vibrant display of colors and flavors reflected the students' imagination and enthusiasm. The joy of tasting and sharing their creations with friends made the activity even more memorable.

Darsh Umesh Rameja – Awarded the Redbridge Ambassador Badge

We are proud to announce that *Darsh Umesh Rameja* has been awarded the Redbridge Ambassador Badge for his active participation and commendable performance in the Redbridge Ambassador Instagram Contest. Congratulations, Darsh, on this well-deserved recognition! You continue to make us proud with your initiative and school spirit.

The ***Redbridge Ambassador Instagram Contest*** is an exciting initiative designed to nurture students' literary and expressive abilities. Each round introduces a new topic, encouraging children to share their thoughts, experiences or perspectives through creative writing. The best entry earns a special ***Ambassador Badge***. Students who achieve this distinction three times consecutively are honoured with the prestigious “**Star of Redbridge**” title & badge. This initiative aims to inspire young minds to think creatively, enhance comprehension and articulate their ideas with confidence.

Pre-primary Student Celebrate Professional's Week

The Pre-Primary section celebrated *Professionals' Week* with great zeal and excitement. Each day was thoughtfully designed to help our little learners understand the importance of various community helpers and the roles they play in society. Through engaging videos, colorful pictures, and lively rhymes, students explored different professions in an interactive and fun-filled way.

The highlight of the week was the “*One-Minute Talk*” activity, where our tiny tots dressed up as professionals of their choice—complete with props—and spoke confidently about their chosen roles. Their enthusiasm and creativity made the event truly special. The celebration not only enriched their knowledge but also fostered confidence and appreciation for everyday heroes around us.

September was a month filled with joy, creativity, and memorable experiences at Redbridge International Academy. We look forward to many more moments of learning and celebration in the months ahead.
